

**POSITION DESCRIPTION – NATURAL RESOURCE MANAGEMENT
SPECIALIST**

Advertised October 17, 2007

Sustainable Resources Group Intn'l, Inc., a small, Hawaii-based environmental consulting company, has an opening for a NATURAL RESOURCE MANAGEMENT SPECIALIST.

The successful candidate will serve as a Natural Resource Management Specialist and provide specialized technical support in environmental/natural resources investigations and development of planning documents. Position may be part- to full-time; to be determined.

Requirements:

Candidates must have technical experience in land use and natural resource management studies; Hawaii flora and fauna; environmental/land use planning, permitting and documentation; stakeholder/public outreach; and familiarity with federal, state and local regulatory and permitting requirements for land use and natural resources.

Candidates must have strong research, technical writing, interpersonal communication and oral presentation, planning and organizational, and computer software skills. Shall possess the ability to work independently with minimal supervision and handle multiple tasks and produce high-quality work under tight deadlines. Must work well in a team environment, be customer focused and have a 'can-do' attitude. Position will entail research and report writing, project management support, field work, and client, agency and community interface. Required computer skills include the ability to use word processing, data management and basic graphics software; ability to use ArcGIS software desirable.

Minimum qualifications: Possession of a Bachelor's degree in environmental science, natural resources management, environmental planning, or a closely related discipline; 1-2 years of applicable professional experience.

Preferred qualifications: Possession of a Master's or Doctoral degree in environmental science, natural resources management, environmental planning, or a closely related discipline; 2-4 years of applicable professional experience (natural resources/environmental planning preferred).

To Apply:

Qualified candidates should e-mail a letter of interest, resume, and references to Principal, Sustainable Resources Group Intn'l, Inc. (jobs@srgii.com). Submissions will be accepted until the position is filled. Compensation will be commensurate with qualifications and experience. Sustainable Resources Group Intn'l, Inc. is an Equal Opportunity Employer and we value a team-oriented environment and workforce diversity.
