COQUI FROG ERADICATION & CONTROL COMMUNITY FUNDS

Dear Community Association / Organization Grant Applicant:

The Office of the Mayor, along with the Coqui Frog Working Group (CFWG), will be administering funds for community organizations and community associations to address the growing coqui frog infestations in their neighborhoods. These County funds have been made available for the purpose of empowering community members willing to collaborate with others in utilizing available tools to control the coqui frog infestations throughout Hawaii Island.

Your proposal should clearly state whom in the community will be responsible for overseeing the effort. Grants will be given favorable consideration when partnerships and cooperation between community members are included in the grant request.

Your proposal should include:

- Grant Request Amount – Not To Exceed $5,000
- How Your Proposal Will Measure Effort, Area and Outcomes
- Have At Least Two Signatures Who Will Have Fiscal Responsibility

Please make five (5) copies of your proposal and submit to:

Coqui Frog Eradication & Control Community Fund
25 Aupuni St. Room 217
Hilo, HI 96720

Proposals received by the 15th of each month will be reviewed on a monthly basis with notification within 30 days of a decision. PROPOSALS WILL BE REVIEWED AND APPROVED UNTIL FUNDS ARE EXHAUSTED. Projects or events that have already taken place will not be considered. All applicants must be available for site visits. Within 30 days of completion of a project, a report of the budget, any receipts, and final evaluation are required.
