Nutrition Education for Wellness (NEW) is a statewide Cooperative Extension Service (CES) program that facilitates consumer-focused foods and nutrition education. NEW is part of the College of Tropical Agriculture and Human Resources (CTAHR) at the University of Hawaii at Manoa.

NEW Extension Educators are located in their communities and have expertise in various areas of foods and nutrition. NEW projects, activities and materials are grounded in science-based food guidance: Dietary Guidelines, MyPlate and Nutrition Facts (food labeling).

NEW Projects are listed with brief descriptions. For more information please go to our web site at www.ctahr.hawaii.edu/NEW

- **Diabetes Detection and Prevention**
  - [www.ctahr.hawaii.edu/NEW/Diabetes](http://www.ctahr.hawaii.edu/NEW/Diabetes)
