The information provided in this worksheet is made possible with the support of a grant (NA21OAR4170084) from NOAA/Department of Commerce, developed by the Center for Tropical and Subtropical Aquaculture and managed by the College of Tropical Agriculture and Human Resources, University of Hawai'i at Mānoa. We acknowledge and thank Andrea Kawabata and CN Lee for their thoughtful review and comments. Opinions or recommendations are those of the authors and do not necessarily reflect the views of their employers or funding agencies. While the best efforts have been used to develop this product, by using this spreadsheet the user assumes all responsibility for its results and any decisions based on results.
