ป้องกันดื่มยาส้มยาจากสารเคมีติดบิด
(Protect Yourself from Pesticides—Lao Version)

At work, pesticides can be on plants and in soil and irrigation water.

Pesticides may drift from nearby applications.

In an emergency:

If pesticide is spilled or sprayed on you, wash it off right away with clean water.

Shower or wash yourself with soap and water, shampoo your hair, and put on clean clothes as soon as possible.
Wash your hands before you use the toilet.

Wash your hands and face before you eat, drink, chew gum, or smoke tobacco.

The nearest emergency medical facility is:

For more information on pesticides call:
Hawaii Department of Agriculture
Pesticide Branch
1428 South King Street
Honolulu, Hawaii 96814-2512
Phone: (808) 973-9401
After work, shower or wash with soap and water. And shampoo your hair. Then put on clean clothes.

Follow direction and obey signs. Stay out of restricted areas.

There are Federal rules to protect workers. These rules require that your employer train you in pesticide safety.

Wash your work clothes separately from other clothes before wearing them again.
