

Got a plant question? Take a tour of the UH Urban Garden Center!  
Pick up a few plants propagated by volunteers! Learn from

garden demonstrations!

For details on special workshops available on the topics below, visit

[www.ctahr.hawaii.edu/ougc](http://www.ctahr.hawaii.edu/ougc) or

call 453-6055 or 453-6050.

### UPCOMING EVENTS

July 8, 2017, 8:30AM-11:30AM

### Grow More Food:

### Plant Propagation Outdoor Expo

Experts from our diverse agricultural community will demonstrate how to successfully grow and propagate vegetables, fruit trees, and other plants by seed, cuttings, grafting, and air layering. Cultivate your green thumb by talking part in this outdoor event at the Urban Garden Center (UGC). Learn about the proper tools & techniques to increase production in backyard and urban gardens. Feed yourself and your neighbor. Call 453-6050 to preregister. Cost is \$20 to join the plant propagation expo. Three grafting workshops will be offered on a first come, first serve basis. The event will also host our popular UGC plant sale, free tours & displays from local farm and garden suppliers, organizations, and UH Master Gardeners.
