For Fun and Friends…
…join the Innovators of Fashion and Phi Upsilon Omicron, a national honor society. Work and play with other students in professional and community activities that facilitate connections within the fashion industry. Innovators of Fashion club members
• make presentations on fashion careers to middle- and high-school students
• assist community organizations with fashion show fundraisers
• solicit volunteers and donations for the Hawai‘i Food Bank, blood drives, feed-the-homeless projects, and community activities for homeless children
• sponsor student get-togethers and graduation events.

Are You Prepared?
Freshmen can be admitted directly into the program if they designate Apparel Product Design and Merchandising as their major when they apply to the University of Hawai‘i at Mānoa. Students transferring from other colleges within the UH system or from other universities must have a cumulative GPA of 2.5 to be considered for admission.

Team up with Award-Winning Students…
…recognized locally, nationally, and internationally for their achievements.

Open Doors to New Careers and Opportunities
APDM graduates have successful careers as fashion buyers, retail managers, visual merchandisers, business owners, textile and fashion designers, fashion promotion and forecasting specialists, costume designers and curators, technical designers and illustrators, and customs brokers. The strong academic background enables graduates to move into other businesses, technology-related fields, apparel product developers, apparel production managers, and education.
