CHOOSING THE ROAD LESS TRAVELED

AN INTRODUCTION TO SUSTAINABLE FARMING IN HAWAI’I

November 2004
## CONTENTS

**CHAPTER 1: CHOOSING SUSTAINABLE AGRICULTURE**
- The Promise of Sustainable Agriculture: Page 3
- A Good Match for Pacific Islands: Page 5
- A Good Match for New Farmers: Page 7
- Agriculture: Not for the Faint of Heart: Page 8
- The Down Side: Page 9
- Do You Have What it Takes?: Page 10
- Resources & Recommended Reading: Page 11

**CHAPTER 2: DIRECT MARKETING**
- Market Research: Page 13
- Direct Marketing Opportunities: Page 15
- Farmers’ Markets: Page 16
- Farm Stands: Page 17
- U-Pick: Page 18
- Ag Tourism: Page 18
- Subscription Farming: Page 19
- Restaurant Sales: Page 20
- Value Adding with Processing: Page 20
- Internet Marketing: Page 21
- Cooperative Marketing: Page 22
- Many Marketing Options: Page 22
- Resources & Recommended Reading: Page 24

**CHAPTER 3: SUSTAINABLE AND ORGANIC PRODUCTION METHODS**
- The Physical Environment: Page 27
- Water: Page 29
- Climate: Page 29
- Soil: Page 30
- Soil Fertility: Page 30
- Organic Matter & the Soil Food Web: Page 31
- Soil Testing: Page 32
- Know your Plants and Animals: Page 33
- Pest Management: Page 33
- Integrated Pest Management: Page 34
- Preventing Pest Outbreaks: Page 35
- Least Toxic Pesticides: Page 36
- Insect Management: Page 37
- Weed Management: Page 38
- Plant Disease Management: Page 39
- Resources & Recommended Reading: Page 40

**CHAPTER 4: THE FARM AS HABITAT: ENVIRONMENTAL TOPICS**
- Hawaii’s Unique Biological Heritage and Natural Resources: Page 43
- Hawaiian Streams: Page 45
- Hawaiian Wildlife: Page 46
- Hawaiian Wetlands: Page 47
- Hawaiian Forests: Page 48
- Ground Water: Page 48
- Hawaiian Coral Reefs: Page 48
- Problem: Soil Erosion: Page 49
- Problem: Nutrient Pollution: Page 50
- Problem: Nutrient Pollution from Manures: Page 51
- Problem: Pesticide Pollution: Page 52
- Problem: Invasive Species and Noxious Weeds: Page 53
- Problem: Poor Livestock Management: Page 54
- Problem: Loss of Wildlife Habitat: Page 55
- Funding Sources for Conservation: Page 56
- Resources & Recommended Reading: Page 57

**CHAPTER 5: ANIMAL PRODUCTION**
- Is This Really for You?: Page 59
- Legal Restrictions: Page 61
- Feed: Page 61
- Water Supply: Page 62
- Shelter: Page 62
- Space: Page 63
- Health Care: Page 63
- Predator Control: Page 63
- Manure: Page 63
- Composting: Page 63
- On-Farm Processing & Slaughterhouses: Page 64
- Starting Small: Page 64
- Poultry: Page 64
- Swine: Page 64
- Rabbits: Page 65
- Goats: Page 65
- Horses: Page 65
- Cattle: Page 65
- Resources & Recommended Reading: Page 66
