Land Grant College System

- Universities or colleges that receive the benefits of the Morill Acts of 1862 and 1890 (Education)

- Hatch Act of 1887 allowed land grant colleges to create agricultural research stations to conduct practical research that would assist farmers (Research)

- Smith-Lever Act of 1914 results in the cooperative extension services and a mechanism for technology transfer (Extension)
The Fallacy of the Artisans:
I appear to be wiser than he, because I do not fancy I know what I do not know - Socrates
